GENERAL POSTAL INFORMATION

Register all valuable or important mail, and take pains to pack and bind all packages securely to withstand the strain and friction of transportation in bags.

Ordinary mail to domestic points must be at least partially prepaid: to United States and Mexico, at least one rate. to United Kingdom and Postal Union Countries generally prepayment of any amount is not compulsory. It is, however, advisable that all mail should be fully prepaid that delivery at destination may be simplified, and as expeditious as possible.

Registered mail must in every case be fully prepaid.

Post your mailings early and thereby avoid the dangers of rush treatment at the closing hour.

Newspaper and package mails generally, close two hours earlier than letter mails, except when registered, in which case they close only one hour earlier.

It is not desirable in the interests of Despatch that senders should indicate any particular route upon their mailings; the Post Office can be safely trusted to always employ the most expeditious.

Persons going about from place to place should not fail to keep the Post Office informed of their movements in order that their mail may follow them.

The **Country of Designation** should be an important feature of every address upon mail to guard against confusion with local Post Offices of the same or similar name.

GENERAL INFORMATION

- ROUTING ONE WAY VIA THE UNITED STATES** Delegates travelling into Winnipeg via Chicago, may return via the Upper Lakes on payment of the additional amount required as above, but they will

not be returned via Port Arthur and rail route. The same understanding will apply in the opposite direction, i.e., if they travel to Winnipeg by boat they will be able to return via rail through the United States, but if they travel via rail through Port Arthur to Winnipeg they will not be able to return via rail through the United States.

**DELEGATES
TRAVELLING
VIA THE
UNITED STATES.**

No concessions, with the exception of those mentioned below, will be granted by United States railways, as the number travelling by these lines will not be sufficient to induce the companies to grant reduced rates.

FARE.

The exceptions referred to are the lines operating in the New England territory, which offer **one and three-fifths fares** for the return trip to the Canadian Border. The other lines embraced by the various remaining Passenger Associations, while not offering straight reductions of similar nature, have on sale what are known as "Summer Tourist Tickets" which amount to practically the same reduction.

**SEATTLE
EXPOSITION.**

There are also, of course, the rates in force in connection with the Alaska-Yukon-Pacific Exposition at Seattle. From New York to San Francisco and return via Montreal, Port William and Winnipeg and Seattle, or via Chicago, St. Paul, Winnipeg and Seattle, returning by way of California, or from New York to San Francisco and return, going via California and returning via Seattle, Winnipeg, Port William and Montreal or Winnipeg, St. Paul and Chicago via standard lines, fare \$107.25, "differential" lines, \$102.75.

FARE.

The fare from Montreal to San Francisco and return going via Winnipeg and Seattle and returning through California, or going via California and returning via Seattle and Winnipeg, is \$104.25.

The fare from Winnipeg to San Francisco and return one way through Seattle, is \$80.20.

Tickets are limited to October 31st, and "stop-over" privileges are given at all points west of Winnipeg or St. Paul, including these points.

Canadian Ticket Agents at the various ports of entry are to be provided with Standard Convention Certificates, so that those who desire to do so may pay their fare to the Canadian border, and thence take advantage of the arrangements in force on Canadian railways, of a single fare to Winnipeg, with return to the border line. Members already provided with transportation certificates issued by the London Office of the B.A.A.S. will not need, of course, to obtain these Standard Convention Certificates.

**ARRANGE-
MENTS AT
WINNIPEG.**

All Certificates issued with tickets purchased in Canada, will be vis'd at Winnipeg.
